Habitat for Humanity is a nonprofit, ecumenical Christian housing ministry that builds simple, decent and affordable homes in partnership with those in need. The driving force behind the organization is its volunteers; those who contribute a day, a week, or a few months to give Habitat's vision a tangible form. Volunteers, joining with the future homeowners families, provide virtually all of the house-building labor. Individuals, religious organizations and corporations that support HFH's mission also provide the tax-deductible donations of money, land and materials that make the work possible.

Fund-raising events, such as golf outings, provide a fun opportunity to participate in HFH's mission and donate to this worthwhile cause right here in the Sauk and Columbia Counties area. There are several ways you can help make this fundraising event successful; through donations of raffle or silent auction prizes, flag event prizes, hole sponsorship and/or participation. Please indicate below how you would like to donate or participate:
